[Light and Shade during the Easter Weekend at the Nürburgring](#)

It's that time of the year again when our MELKUS RS2000 GTR racing cars are once more going for a spin on the race course. The first two races of the season were held at the Nürburgring during Easter.

[Techno Classica 2012](#)

The Techno Classica in Essen was also on this year's agenda in the spring. This major European classical and antique car fair was of course a must for MELKUS RS1000.

[Black, Premium, Fast – The MELKUS RS2000 “Black Edition”](#)

Black and White was the motto of the first run of the “Black Edition”. The unique MELKUS sports cars now feature a special premium piano lacquer finish - Outfit. Only a total of five cars are being made with this exclusive paintjob.
